ALL PRICES EXCLUDE GST, PACKAGING & FREIGHT						

CARE OF TREES STOCKS

Plants must not be allowed to dry out. All trees should be planted as soon as possible after leaving Nursery.

Bare-rooted trees in cartons

Trees as packed when they leave the nursery should be quite safe for 3-4 days, provided they are kept cool and moist. Never stand in direct sunlight.

- Open top flaps of the carton.
- Ensure roots are moist, add extra after if necessary.
- Do not wet foliage.

Tree in bundles (deciduous)

May be held for 4-6 days, provided roots are kept moist, any longer and trees should be heeled into soil or sawdust.

Cool storage

Cool storage of treestocks prior to despatch actually enhances their shelf life. Our coolstore facilities minimise lifting stress and allow clients flexibility when uplifting treestocks.

CONDITIONS OF SALE

We will endeavour to supply all tree stocks of merchantable quality, true to name and description. We will not accept responsibility for the performance or productivity of any treestocks as these factors are governed by forces beyond our control. We do not undertake to replace failures or be responsible for the resultant crop.

Price

All prices exclude GST, packaging and freight.

Freight

Payable by the purchaser.

Packaging

Cardboard cartons will be charged at cost.

Order confirmation

A deposit of 20 % is required to secure your order

Planning hints

Careful planning will contribute more to the success of your plantings than any other factor.

- Plan your plantings carefully.
- Seek advice from Forest Consultants, Councils or Rangiora Nursery personnel.
- Order treestocks early.
- Ensure adequate fencing
- Deep ripping lines with a winged ripper (late summer-autumn).
- Ensure adequate weed control. Spraying before or after planting will vary with individual species. Consult chemical representatives, forestry advisors or nursery personnel.
- Contact forestry contractor for planting or weed control.
- Eliminate pests, e.g. rabbits, hares, possums.

Payment

Your account is payable on collection, unless special arrangements are made. All goods remain the property of Rangiora Nursery Ltd until full payment has been received.

Overdue accounts

Any overdue accounts will be charged interest at 2% per month, plus any collection costs.

Returns

We cannot under any circumstances, accept full or partial returns where clients have over ordered.

Uplift of treestocks

Bare-rooted stock is available from June to end of August unless prior arrangement is made. Clients are to advise when stock is required giving one week's notice of delivery or despatch date.
